

COMMITTEE MEETING MINUTES

Friday 12th SEPT 2025

Attendees

Catrin Koring	Club Captain
William Kemter	Vice-Captain
Iona Elliott	APOLOGIES
Jeni Spoor	Members Rep
Jo Heyworth	Social Secretary
William El-Fakir	IT Member
John Owens	Executive Support
Jamie Evans	Competition Secretary
Adam Collinson	Director of Golf

NO	Committee Member	Subject	Action / Responsibility
1	CLUB CAPTAIN	WELCOME	
2	Competition Secretary	Website Issues regards the DELETE BUTTON	The delete button has posed some issues on the tournament section and some problems with last minute withdrawals. The Club Captain also explained she felt she had pressed the 'delete' a tournament button, but it did not action. It has now been noted and made clearer on the web portal that deleted entries from a tournament also have to be sent to the Comp Sec to make sure it has been seen / actioned. The web portal note will be updated by the IT Member. The delete button will be re-activated soon. (After meeting notes – the DELETE button is now working)
3	Club Captain	Members Directory	A question was asked who is responsible for updating this as we have leavers and also members who have passed away. It was confirmed

			that members are responsible for updating changes to their personal records (eg. e-mail address, mobile number), but the Comp Sec will delete 'movers' manually every couple of months.
4	Competition Secretary	Competition entry issues	Still some issues with the admission process so this is being made clearer to members in writing on the web portal. The Comp Sec will copy and paste revised written instructions for the IT Member to upload.
5	IT Member & Competition Secretary	EDS	The IT Member and Comp Sec advised that they were working on an electronic version of the EDS pre-game entry via the web portal. The electronic version would be available for use in the coming days (and indeed has since been included on the web portal under Quick Links). On occasion, the EDS book may still be used by members.
6	Club Captain	CAPTAINS DAY 11.10.25	It will start at 9am. Members can check in from 7.30am. 4 person team game and colors are White and pale Blue. There will be lots of prizes, raffle and a complimentary German buffet with German beer after. Cost of entry will be €10 including the 2 stripes of raffle tickets at check in. More details will follow from the Club Captain.
7	Social secretary	Presentation Dinner – 17 th Jan 2026	The Social Sec advised that after contacting many hotels, the best offer was from Alexander The Great Hotel in Paphos. They are the only hotel to have waved the venue fee which all others wanted between 1,000 euros and 2,000 euros for alone. They also offered the best price on the buffet at €50pp and an all inclusive drinks package of €25pp so total to members is €75pp. The hotel is also offering a special room rate of €130 for a double room so would be nice for members to check in early and enjoy the hotel facilities. MIN 80 people the hotel have advised. In relation to our own clubhouse – the DoG advised that it is not yet known it's even

			available to host this event hence why we are looking at hotels.
8	Members Rep & Competition secretary	MULTI TEE vs DIVISIONS TOURNAMENT FORMAT	The Committee discussed the pros and cons of the Multi-Tee trial. The Members Rep fed back that the majority of members with whom she spoke to were in favour of the handicap divisions and did not like the current multi tee arrangement with prizes being awarded on tee colour. A significant number wanted medals to be played from white/blue tees. Some were relatively happy. The Comp Sec submitted a research paper detailing a reversion to a modified three division tournament format, wherein a player's WHS handicap would dictate their actual playing division and tee colour. The Committee finally resolved to trial a four division tournament format for the remainder of 2025. The Comp Sec agreed to rework the computations from three to four handicap divisions and their corresponding colour tees. The four handicap divisions will apply equally to both genders, and the tee colours assigned to both genders per division are similarly slope rated to satisfy our objective for a level playing field. The Committee is acutely aware that the implementation of fairer playing conditions for tournaments may create unfavourable conditions for some players. The Committee seeks to encourage and incentivize new and established players to move to a higher division based on their improving handicap performance, and yet very new and/or mature player's may feel a personal stigma having being assigned to a lower

			division and tee colour based on their current WHS handicap. There is no associated stigma since SVGR remains an inclusive Resort for all playing members.
			The meeting concluded at 1400
